Message

President, FOGSI

Dear Esteemed **FOGSIANS**,

It gives me immense pride and joy to invite you to our flagship event "**The 68th All India Congress of Obstetricians and Gynecologists (AICOG 2026)**" scheduled from **14th to 18th January 2026** at the iconic **Yashobhoomi Convention Centre, Dwarka, New Delhi**.

With the powerful theme, "Inspire, Include, and Invent – Improving Women's Health in India," this conference is not just about academic brilliance, it's about celebrating the spirit of togetherness that binds our 46,000-strong FOGSI family.

AICOG is where knowledge meets camaraderie. It is where we upgrade our skills, exchange ideas, and stay ahead of evolving clinical practices. But just as importantly, it is where we reunite with friends, share laughter, and build lasting bonds. The academic sessions will be enriching, the cultural evenings uplifting, and the overall experience unforgettable....

To the incredible Delhi organizing team, spearheaded by Dr. Ashok Kumar and complete AOGD family, I extend my warmest wishes. With your commitment and vision, I am confident that AICOG 2026 Delhi will make us all proud.

Let's come together to make AICOG 2026 a grand success because when FOGSIANS unite, we elevate the future of women's health.

Dr. Sunita Tandulwadkar
President

Message

President Elect, FOGSI

Dear **FOGSIANS**

I welcome you to the **68th All India Congress of Obstetrics & Gynaecology** to be held at **Yashobhoomi, Dwarka, New Delhi**, on **January 14-18, 2026**. AICOG is the biggest event in the annual calendar of FOGSI and we expect an attendance of over 10000. It will provide great opportunities for academics, sharing ideas, meeting friends, networking and fellowship.

AOGD (The Association of Obs & Gynae of Delhi), the host society, is the largest constituent society of FOGSI and we have a dynamic and vibrant organizing committee led by Prof Ashok Kumar. He is already working hard to make this one the most memorable AICOG, with Prof Alka Kriplani, Scientific Advisor, and Prof Neerja Bhatla, Scientific Committee Chair, leading the scientific committee, we do expect an exhaustive, diverse and attractive scientific programme.

AICOG is also the time when the new FOGSI Team takes over. Personally, this AICOG is special for me as I will be installed as President, FOGSI, at the Inaugural ceremony on the evening of January 15, 2026. I look forward to meeting many of you personally at AICOG Delhi.

With warm personal regards

Dr. Bhaskar Pal
President Elect

AICOG 2026

WELCOME

Dil Ki Dilli

Namaste and Warm Greetings from the Heart of India - Delhi!

Welcome to **AICOG 2026 - The 68th All India Congress of Obstetrics & Gynaecology!**

Namaste and Warm Greetings from the heart of India - Delhi!

It is with immense pride and excitement that we invite you to AICOG 2026, a grand convergence of brilliance in Obstetrics and Gynaecology from **14th to 18th January, 2026** at **Yashobhoomi Convention Centre, Dwarka, New Delhi**, for an unforgettable journey of a lifetime.

Delhi - Where Heritage Meets Modernity, a city of timeless charm and modern marvels, sets the perfect stage for this prestigious congress. A stroll through the streets is a witness to the mesmerizing fusion of history and progress. From the iconic Qutub Minar, the architectural splendour of the Lotus Temple and Akshardham Temple to the bustling lanes of Chandni Chowk and the grandeur of India Gate, Delhi offers an experience like no other. Here, history comes alive with the majestic Red Fort, serene Humayun's Tomb and several other landmarks.

Delhi provides seamless connectivity and unmatched convenience. Indira Gandhi International Airport connects the city to all major destinations in India and across the globe, making travel effortless. With its extensive metro network and excellent road infrastructure, navigating the city is a breeze for everyone.

Delhi's warmth and hospitality are legendary. Indulge in a culinary journey through Delhi's vibrant food scene, where every meal is a celebration of flavors, from tantalizing street food to exquisite fine dining.

AICOG 2026 is set to be a transformative event, which aims to Advocate, Optimise and Globalise women's health by overcoming Challenges and bringing together the brightest minds to explore Innovations and cutting-edge advancements in Obstetrics and Gynaecology.

Under the inspiring theme: "Inspire, Include, Invent: Improving Women's Health in India," the congress will feature stimulating scientific sessions, hands-on workshops, and vibrant discussions to spark new ideas and collaborations.

Beyond the congress, immerse yourself in Delhi's rich history, vibrant culture and unmatched legacy. Join us to make **AICOG 2026**, a magnificent success and a cherished memory.

We eagerly await your presence in Dil Ki Dilli – where every moment is an inspiration and every interaction a celebration.

Looking forward to seeing you all !

Warm regards,

The Organising Committee
AICOG 2026 Delhi

YASHOBHOOMI, DWARKA | NEW DELHI, INDIA

Yashobhoomi, located in Dwarka, Delhi, is a significant and ambitious project that serves as a state-of-the-art convention and exhibition center. Spanning over 8.3 lakh square feet, it is designed to host a wide variety of events, including conferences, trade shows, and cultural programs, positioning itself as a key hub for business and tourism in the region. The infrastructure incorporates modern facilities, high-tech amenities, and sustainable design elements, aiming to provide both local and international visitors with a high-quality experience.

The development of Yashobhoomi is part of Delhi's broader strategy to enhance its infrastructure and promote economic growth. It is well-connected to major transport networks, including the Delhi Metro, which facilitates easy access for attendees. Additionally, Yashobhoomi is situated near the Dwarka Sector-21 metro station, adding to its appeal as a convenient venue for hosting large-scale events. The project reflects Delhi's commitment to becoming a global destination for meetings and exhibitions, ultimately boosting its cultural visibility and economic capability.
